

Structural Biochemistry I

Fall 2007

General Information

Lectures: Room 147, Nanaline Duke Building

August 27 - October 12, 2007 MWF 3:05-3:55 PM

Course Website:

<http://kinemage.biochem.duke.edu/teaching/bch258/>

Instructors:

Lorena Beese, Course director

Office: Room 210 Nanaline Duke Phone: 681-5267

e-mail: lsb@biochem.duke.edu

Office hours: After class or by appointment.

Dave Richardson

Office: 211 Nanaline Duke Phone: 684-6010

e-mail: dcr@kinemage.biochem.duke.edu

Office hours: after class, or afternoons by appointment

Pei Zhou

Office: 242 Nanaline Duke University

email: peizhou@biochem.duke.edu

Teaching assistant:

Yi (Yves) Wang

email: yves.wang@duke.edu

Office: A20 LSRC / 5301 FFSC Phone: 452-6878-Cell; 684-1235 (Lab 1); 660-1634 (Lab 2)

Office hours: Mondays – 5 – 6pm – Room 247 Nanaline Duke

Text: Branden & Tooze (1999) Introduction to Protein Structure. 2nd Edition

Available at the University Book Store, Bryan Student Center

Evaluation: No formal exams. Satisfactory completion of all homework exercises is required to earn a “B”. A final project investigating a structural topic of the student’s choice is required to earn an “A”. Project involves use of computer graphics and will be discussed in class.
